Questions

What "non-academic" subject area(s) are you intending to specialize in for these awards (Primary and Secondary, please describe)?

In which way have some of the courses that you have taken in Grade 11 and 12 pertained to the subject area(s) you are specializing in?

School District 28 (Quesnel)
District Awards 2019/2020 Application

What background do you have in this (these) subject area(s) apart from courses you have taken (include community involvement, school involvement, additional training, etc.).
