ISSUE NO. 8

JANUARY 13, 2017

Principal's Message

Dennis Hawkins-Bogle

A new year, like a fresh start, is often inspiring. With semester one ending January 27, it is a perfect opportunity for students to take advantage of the fresh start. There are only two weeks left for students to make the best of this semester. It is a good time for students to put a focused effort into getting the best mark they can get. For some students this means studying course material for quizzes and tests, while for others, it may mean ensuring all assignments are completed and handed in to the teacher. For all students, we encourage you to do the best you can in your classes. Parents and guardians, if you are concerned about your child's progress heading into semester end please do not hesitate to contact myself or your child's teacher.

Semester End Exams – The week of January 23 to 27 we will have 3 provincial exams as well as many in-class exams. Each day of the week, with the exception of Friday, will be dedicated solely to one block. Students will spend time completing assignments, studying or working on projects, as well as writing exams. Attendance during this week is very important.

Tuesday – C Block
Wednesday – B Block
Thursday – A Block
Friday – Make-up Exam Day

Once again Correlieu students have done well in competition. Avery Bell and Scott Sargent travelled to Prince George to the Skills BC Regional competition in cabinetmaking. Scott won the Bronze Medal in his first try at this type of competition. For the second year in a row, Avery Bell won the Gold Medal, his first step in a bid to return to the Nationals.
