Happy New Year 2020

With the New Year come changes at Correlieu. All regular classes end on Friday, January 17. Exam week is Monday, January 20 to Friday, January 24. Semester 2 starts on Monday, January 27. Semester change-over is an exciting time as students anticipate classes ending and new ones starting. This is a critical time in the semester as there is only a short period of time when assignments can be handed in. For some students, focusing and getting the last assignments handed in can make the difference between an A and a B. Likewise, getting focused and getting the last assignments handed in can make the difference between failing a class and passing a class. All students are encouraged to focus and work hard during this time.

Grad Meeting – Thursday, January 23* – 6:30 in the theatre (*notice the date change due to cold weather)

There will be a meeting for all graduates and their parents on **Thursday, January 23** at 6:30 in the theatre.
