Dear Parents/Guardians and Students,

1. The Ministry of Education has cancelled all of the January sessions of the Provincial Literacy 10, Numeracy 10, and Literacy 12 Assessments. Further information will be provided by mid-February.

We will be in contact with early Graduates once we know more information regarding the Literacy 12 Provincial Assessment.

2. As a result, we will run our regular block schedule next week:
 - a. Monday - A/B
 - b. Tuesday - C/D
 - c. Wednesday - B/A
 - d. Thursday - D/C
3. The focus for next week will continue to be student success/project completion/mark improvement for semester.

Marissa Knauf,

Principal
