

March 11, 2021

Principal's Message

Check out the Correlieu Grad 2021 Facebook page.

This page is for parents and students to engage in the planning for Correlieu Grad 2021. As of today, we have strict protocols that we must follow. These protocols, especially around hosting gatherings, will dictate what we can and cannot do. If protocols change, then our plans can change.

We normally host a Cap and Gown ceremony, with speeches, and students receive their diplomas. The next night we host a Prom.

Last year we help mini-ceremonies, when we were allowed to host gatherings of less than 50 people. We also hosted several "Show Case" drive-by venues where the graduates dressed in their formal wear.

This year may very well have to be different again, unless protocols change.

District Award Packages Available

The District Awards Packages are available for graduating students from Kayla in the Career Centre. The District Awards are to acknowledge students who achieve outside of school in the following categories:

Technical Trades & Training

Examples

Done at the school or in the community

Visual Arts, Drama, Dance, Music

Athletics, Dance, Gymnastics, etc.

In the school or community

Automotive, Robotics, Coding, Woodwork, Culinary Arts, etc.

New BC Access Grant

Building on the elimination of interest on B.C. student loans, beginning on August 1, 2020, a new needs-based, up-front B.C. Access Grant will remove barriers to post-secondary education and training and provide non-repayable financial support for students at B.C. public post-secondary institutions.

CBC Radio Career Fair

Please be advised about a special series that will air on CBC Radio One during the second week of Spring Break.

From **March 22-26**, CBC Radio One's [BC Today](#) will be hosting a **Career Fair** featuring guests speaking about a variety of professions and opportunities. This could be of value to our students. There will be opportunities for listeners to call in with questions.

To attend the Career Fair, students can tune in to *BC Today* with [Michelle Eliot](#) from **12:30 p.m.-1 p.m. PT**, March 22-26 on their local CBC Radio One or online at cbc.ca/listen.

Planning for September – You Need to Complete a Course Selection Form

We are in the midst of course selection for next year. If your child is not attending school right now, and is doing on-line schooling, it is important they complete a course selection form for next year. This is critical so that your child can get the classes that he/she needs and wants. Please contact us at 250-992-7007 if you require a course selection form.

Come Back for Quarter 4

Quarter 4 starts April 19. If your child is doing on-line school at home, they are welcome to come back to Correlieu for quarter 4. If you would like your child to return for quarter 4 please contact Mr. Hawkins-Bogle or Mrs. Knauf at 250-992-7007.

Upcoming Dates
