Principal's Message

The Correliu PAC is a small group of dedicated parents who meet monthly to discuss issues related to Correliu Secondary School and to provide the parents' perspective. The PAC is also responsible for spending the Ministry of Education PAC monies. Our PAC needs a quorum of at least 4 members to make these funding decisions. We could not conduct the usual business at our September meeting as we only had 3 parents attend. We are looking for one dedicated parent who will serve as PAC President this year. If you are able to help us please come to the next PAC meeting, Monday, October 26, at 6:30 PM in the school library. All health & safety protocols (mask wearing, signing in, hand washing and physical distancing) will be ensured.

The Correliu PAC does not do fundraising or host events. Our PAC is an advisory body and is responsible for the disbursement of the PAC money. The meetings are about 1 hour long.

PAC Meeting: Monday, October 26 – 6:30 – in the library

Correliu is preparing to do Parent and Teacher interviews, Tuesday and Wednesday, October 27 and 28. Please contact Jasmin at the front desk if you would like to request a parent teacher interview. All interviews will be done via email or telephone.
